: We're famous in our corner of the world! KSL News did a story about us. Here's the video:

You're probably wondering what it was like for us, a couple of po-dunks (i.e. hillbillies) to travel to Studio City, California with our creation, a fancy mini-mansion, to be filmed for a national television show. Well....it was AWESOME! And very fun and exciting! No, we didn't get to meet Cedric, that was against the rules. But we did get to meet the monkey and that was pretty cool.
